A story about Ranka and Sheryl kissing!

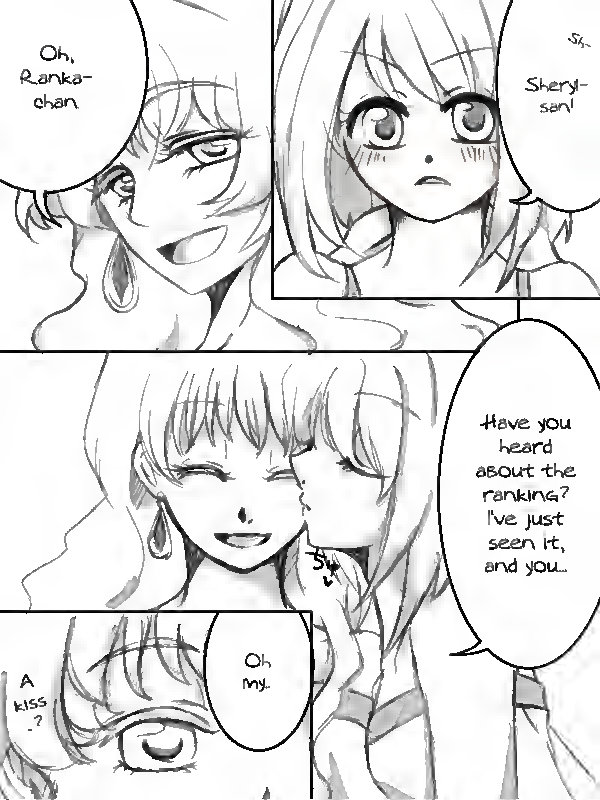
I hate me so much!!!

Warning!

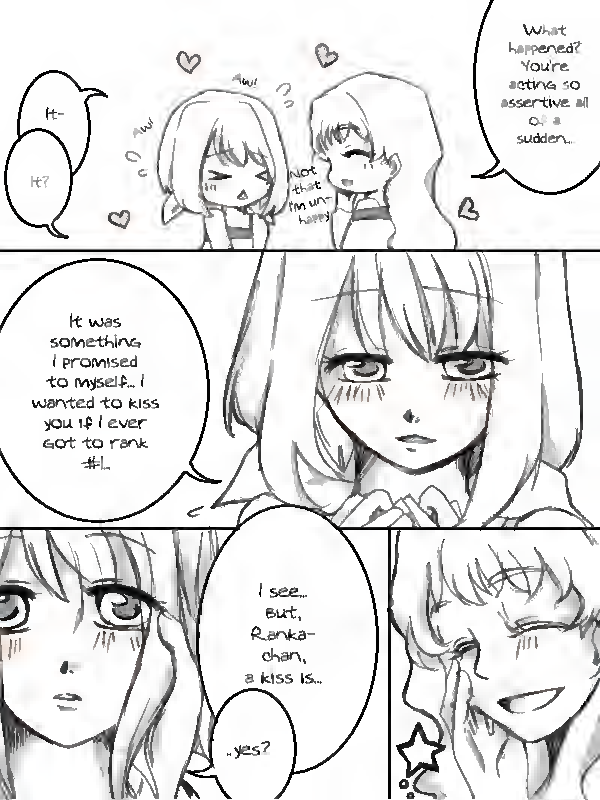
- for some reason, they're in love with each other right from the start.
- the kissing has a normal "yuri baka-couple" sensation.

My handwriting is terrible, but it's on purpose(^w^)

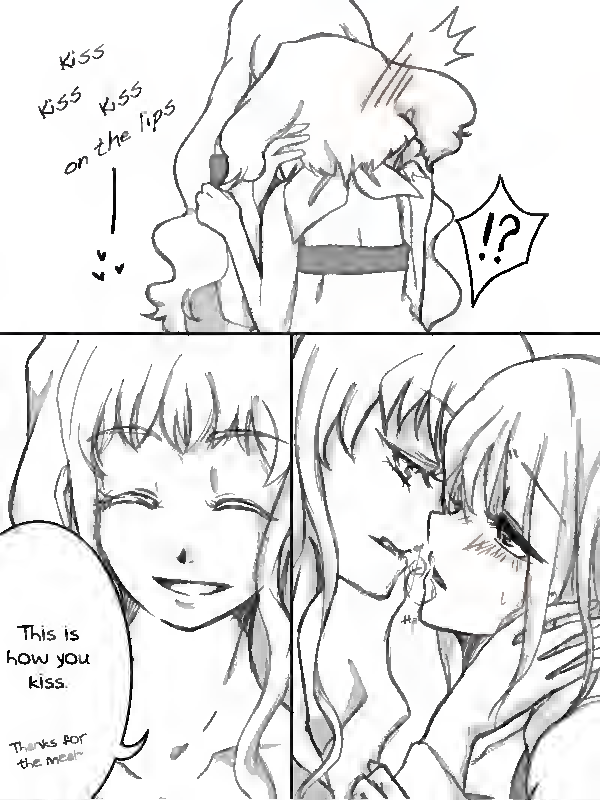
Pur...purpose... sigh



Oh, Ranka-chan
Sheryl-san!
Have you heard about the ranking? I've just seen it, and you...
Oh my.
A kiss...?



What happened? You're acting so assertive all of a sudden...
Not that I'm unhappy
Aww!
Aww!
It-
It?
It was something I promised to myself... I wanted to kiss you if I ever got to rank #1...
I see... But, Ranka-chan, a kiss is...
..yes?



Kiss

To think that I had finally made up my mind...!
But...but it seems that I was so uncool!
Uggh!

But of course! Sheryl-san has a weakness for those kind of girls!
Q. By the way, about earlier, was it all planned?
